Todd Sarnier - Hold Onto Your Kids: Why Parents Need to Matter More Than Peers" on 10/11/2007 - 7:30pm

Mon, 10/08/2007 - 6:59pm — Catherine Guthrie

With children today turning to their peers instead of their parents, they are often not getting the information and direction they need. Mr. Sarnier's talk will look at the changes in the parent-child relationship and the value of children taking cues from their parents and teachers. Based on teachings outlined in Dr. Gordon Neufeld's book "Hold On to Your Kids: Why Parents Need to Matter More Than Peers", parents will learn how to develop their parenting skills and assert their roles as the primary influences in the lives of their children.
